
Harvest Shore Carstens Grace Macmillan Company

ginn basic readers - tandfonline - clark, grace grosvenor. the best in cookery in the middle west. doubleday, 1956. 355p. \$3.75. the author has been interested in collecting recipes since childhood. her cook book contains many homey and beloved recipes of her neighbors in the middle west. with most of her recipes there are warm and friendly notes telling where the recipe originated and hints as to some ways to serve it ...
dolan dna learning center - just below the shelter, we passed a tiny, unkempt corn field very much like the field, or perhaps even the same field, from which the ancient agronomists had harvested their maize.
